Our Products

Logic Plastics sells a variety of sizes of drip drays, drain tubs and transportable containers. Our tough products set us apart from others on the market.

Design Features

- ✓ Open top tray
- ✓ Interior ribs allow items to be out of small amounts of liquid and prevents suctioning
- ✓ Heavy duty construction for industrial use
- ✓ Can be used with almost unlimited liquids including water, oil, antifreeze, solvents, battery acid and much more.
- ✓ Stackable design for cheaper shipping of multiple trays
- ✓ Logic-Bloc™ design allows several trays to be linked together for a larger catchment area
- ✓ Easy to clean
- ✓ Lightweight compared to metal
- ✓ 100% easily recyclable
- ✓ Easily holds 75 litres
- ✓ 36½" x 32" x 8"
